ELECTRICAL REVIEW,

MARCH 1st, 1890, TO AUGUST 23d, 1890.—VOL. 16.

A RECORD OF THE PROGRESS OF ELECTRICAL SCIENCE.

GEORGE WORTHINGTON, Editor. NEW YORK. CHAS. W. PRICE, Associate Editor.

ELECTRICAL REVIEW.—The ELECTRICAL REVIEW, an illustrated weekly journal, published at 13 Park Row, New York City, is the acknowledged leader in the world of Electrical Science. It embraces all that is of value and of interest to the worker and student in this field, and is the medium through which is obtained the most comprehensive and latest information concerning all electrical matters. Edited with care, its editorial opinion is reliable, and its news columns bright and instructive. In typographical beauty the paper is second to none. The subscription price is $3.00 per year; single copy, 10 cents. **P. O. Box, 3329. 13 Park Row, New York.**
